- 19.3 The skipper and crew shall be held jointly responsible for the conduct of the boat's crew before, during and after a race. Misconduct may result in both the person in charge and crew being excluded from future races and renders a boat liable to disqualification.
- 19.4 The race committee shall make starting signals unless in their opinion it is manifestly unsafe for any of the boats entered to remain in the vicinity of the starting line. Each boat shall exercise her responsibility under Fundamental Rule 4 Decision to Race and decide whether or not to start or to continue to race.

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
 - (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
 - (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
 - (g) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that the crew is sufficient in experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
