18 RISK STATEMENT

18.1 Boat (Yacht) racing can be dangerous. The attention of persons in charge is drawn to Fundamental

Rule 4 Decision to Race which states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone" and to Offshore Special Regulation 1.02.1 which begins

"The safety of a boat and her crew is the sole and inescapable responsibility of the person in charge...."

18.2 Royal Torbay Yacht Club and other organising clubs accept no responsibility or liability for loss of life or injury to skipper or crew or others, or for the loss of, or damage to, any vessel or property.

18.3 The skipper and crew shall be held jointly responsible for the conduct of the boat's crew before, during and after a race. Misconduct may result in both the person in charge and crew being excluded from future races and renders a boat liable to disqualification.

18.4 The race committee shall make starting signals unless in their opinion it is manifestly unsafe for any of the boats entered to remain in the vicinity of the starting line. Each boat shall exercise her responsibility under Fundamental Rule 4 Decision to Race and decide whether or not to start or to continue to race.

18.5 No boat shall be accepted as an entry unless the skipper and crew of the boat has, before the start of the race, signed a declaration in the terms set out in the entry form.

18.6 The attention of the crew is drawn to rule 1.2 Life-saving Equipment and Personal Floatation Devices "Each competitor is individually responsible for wearing a personal floatation device adequate for the conditions." See also Offshore Special Regulation 5.02.

18.7 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk.

By taking part in the event, each competitor agrees and acknowledges that:

(a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

(b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;

(c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;

(d) Their boat is in good order, equipped to sail in the event and they are fit to participate;

(e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;

(f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;

(g) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that the crew is sufficient in experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.

19 INSURANCE

The boat is required to hold adequate insurance including third-party cover of not less than £3,000,000 and it is the owner or owner's representative's sole and inescapable responsibility to ensure that the insurance is in place and is adequate. No responsibility will be accepted by Royal Torbay Yacht Club, Kinsale Yacht Club, Club Nautique de Tréguier or any other party involved in the organisation of the race.
