

Royal Torbay Yacht Club - Risk Assessment

Area or Task Assessed: Squadron 13 on water activities		Severity					
Assessment Completed By: Bob Penfold		Likelihood	1. Trivial	2. Minor Injury	3. 3 Day Injury	4. Major Injury	
Assessment Completed: Incomplete		1. Highly Unlikely	1	2	3	4	
Date: 05.07.2020		2. Unlikely	2	4	6	8	
Version: Version 2		3. Possible	3	6	9	12	
Review Date: 12.07.2020		4. Probable	4	8	12	16	
		5. Certain	5	10	15	20	
						25	

Hazard	Who may be harmed	How may they be harmed?	Existing Control Measures	Risk Rating			Additional Control Measures	Residual Risk Rating		
				Likelihood	Consequences	Risk Factor		Likelihood	Consequences	Risk Factor
Inadequate observation of social distancing	Sailors and Instructors	COVID-19	None	3. Possible	5. Death	15	Briefing of sailors and instructors. Allocation of groups (max of 6 people to include instructor) Monitoring by Senior Instructor. All sailors, instructors and volunteers to wear face masks or face coverings	2. Unlikely	5. Death	10
Transmission due to contact with surfaces in dinghy park	Sailors and Instructors	COVID-19	Normal cleaning routine	3. Possible	5. Death	15	Cleaning of boats (refer to procedures document). Particular focus on high contact surfaces. Hand gel and sanitisers in Covid 19 box in Harbour Store.	1. Highly Unlikely	5. Death	5
Pinch-points in dinghy park and slipway	Sailors and Instructors	COVID-19	None	3. Possible	5. Death	15	Briefing of sailors and instructors. Groups (max of 6 to include instructor) rigging of boats at different times. Monitoring by Senior Instructor.	2. Unlikely	5. Death	10
