

Royal Torbay Yacht Club

The Committee Room

Perfect for smaller business meetings, seminars or training sessions.

The ground floor Committee Room provides a comfortable, private and quiet space for your business meeting. Featuring a board room table seating 10-12 attendees, or more if using conference style seating. The wall-mounted large-screen 4K display is ideal for presentations. The Committee Room is ideal for smaller break-out sessions from a larger event in the Corinthian room.
