

About Us....

We're a mutually supportive group dedicated to RTYC members who enjoy cruising in sailing yachts and motorboats. Our cruising events - from visiting local ports of call, to Beach BBQ's, meals ashore and enjoying hospitality onboard - lets you meet others who love to be on the water.

From those new to boat ownership to very experienced Skippers – you will be welcome to join us on one of our planned cruising dates.

Just email me to confirm availability and I will send you details for a deposit payment to secure your cruise booking and the terms and conditions that apply.

Got any questions? Then ask for me at the club bar on most Friday evenings during Happy Hour 6pm to 7pm and I will be happy to have an informal chat. Prospective new members welcome !
