

Prizegiving – 21st November 2025

A great evening with many thanks to our Admiral (Nigel Wollen) and Gavia Wilkinson-Cox for the presentation of the awards and their speeches. It was lovely to see so many of our members and visiting prize winners were represented as well. Thank you for supporting the event.

As has become the tradition over the past years the presentations and speeches were through out the evening between the courses of the meal culminating in the "special awards" which produce many happy smiles and some happy tears from surprised winners. The Special Awards went to:

The Wilkinson Cox Trophy to Lyn McGarey and Papillon II as 2025 Champion Of Champions

Club Volunteer to Ian Mills for his tireless efforts leading Squadron 13 organisation

Faye Jones Memorial to Roger and Priscilla Porteous for so many years supporting the club both on and off the water in so many ways.

Leeds Trophy to John Pollard from Xcellent, as SB20 Class World Champion and many other campaign successes especially in 2025.
