

A slow evening last Wednesday with just three IRC and one Cruiser taking to the water with Sportsboats and Dinghies not venturing out. The three IRC just about managed one lap before the “S” signal was displayed.

Sunday was a more day lively for the three Sportsboats who enjoyed some great racing with two stunning races in wind and sunshine, the English Riviere at its best.

Forecasts are looking better for both Wednesday and Sunday so expect to see more boats out on the water and if you have not already entered just click [HERE](#)

The Torbay Royal Regatta is shaping up to be a great event this year with two separate race areas and multiple classes choosing Torquay for their championships. We will be hosting the IRC South West Championship, Impala Nationals, and both the J/24 and RS21 Nationals. A strong Sportsboat entry is expected especially from the SB20 class with their World Championship coming to Torquay in 2027. Full details and NoR [HERE](#)

The Notice of Race has now been published, and the entry system is open, so please get your entry in. Some changes have been made to the route from published because one of the French ports couldn't accommodate our fleet. Group discounted berthing will be available, but we are still waiting for one of the French ports to confirm their prices. Once received, a new button will be added to the web site for you to take advantage of the discounts available. This is a fantastic value for money event with the entry fee being held at £100 this year.

Check out the Offshore Week website page for full details and to complete your entry. <https://rtyc.org/event/offshore-week-2026/>

Thank you to those members who have already stepped forward to help, but we are still in need of more help both on and off the water at many of the events.
