Royal Torbay Yacht Club

Motorboat and Cruising Group

This well supported group is for club members with either Motorboats or Yachts who want to go cruising, you decide where you want to go, most trips we have a 50/50 Take up so quite an even mix of motorboats and yachts.

A big Thankyou to you all for taking part and making this group what it is today.

What a year we overcame breakdowns and illness to have a good year cruising in groups or alone with old friends and new. Next year's trips are already in the planning

A poll with suggestions for next years trips is now live and very well supported with one trip already attracting 7 votes so thankyou for your support. Results of the poll will be discussed and dates will be agreed for next years calendar.

Moving the group forward we now have volunteers for a sub committee who will assist with the arranging of trips and activities, a group chat will be formed to assist in due course. Also on the agenda is spreading the word and attracting new members to the club and the RTYC Motorboat and Cruising Group.

The destination and trip survey has now been completed and we have up to 10 destinations with up to 10 boats wanting to take part in selected trips. Now the work begins to make these trips happen. More info and dates to follow.
